About Women Founders Network

Women Founders Network (WFN) is a 501(c)(3) nonprofit organization that provides resources and education on entrepreneurship and investing to women and girls.

Through our annual Fast Pitch competition, we provide access to capital, visibility, and mentoring for female founders. Our Startup Fundamentals webinars and community networking events offer valuable resources and connection opportunities for female founders.

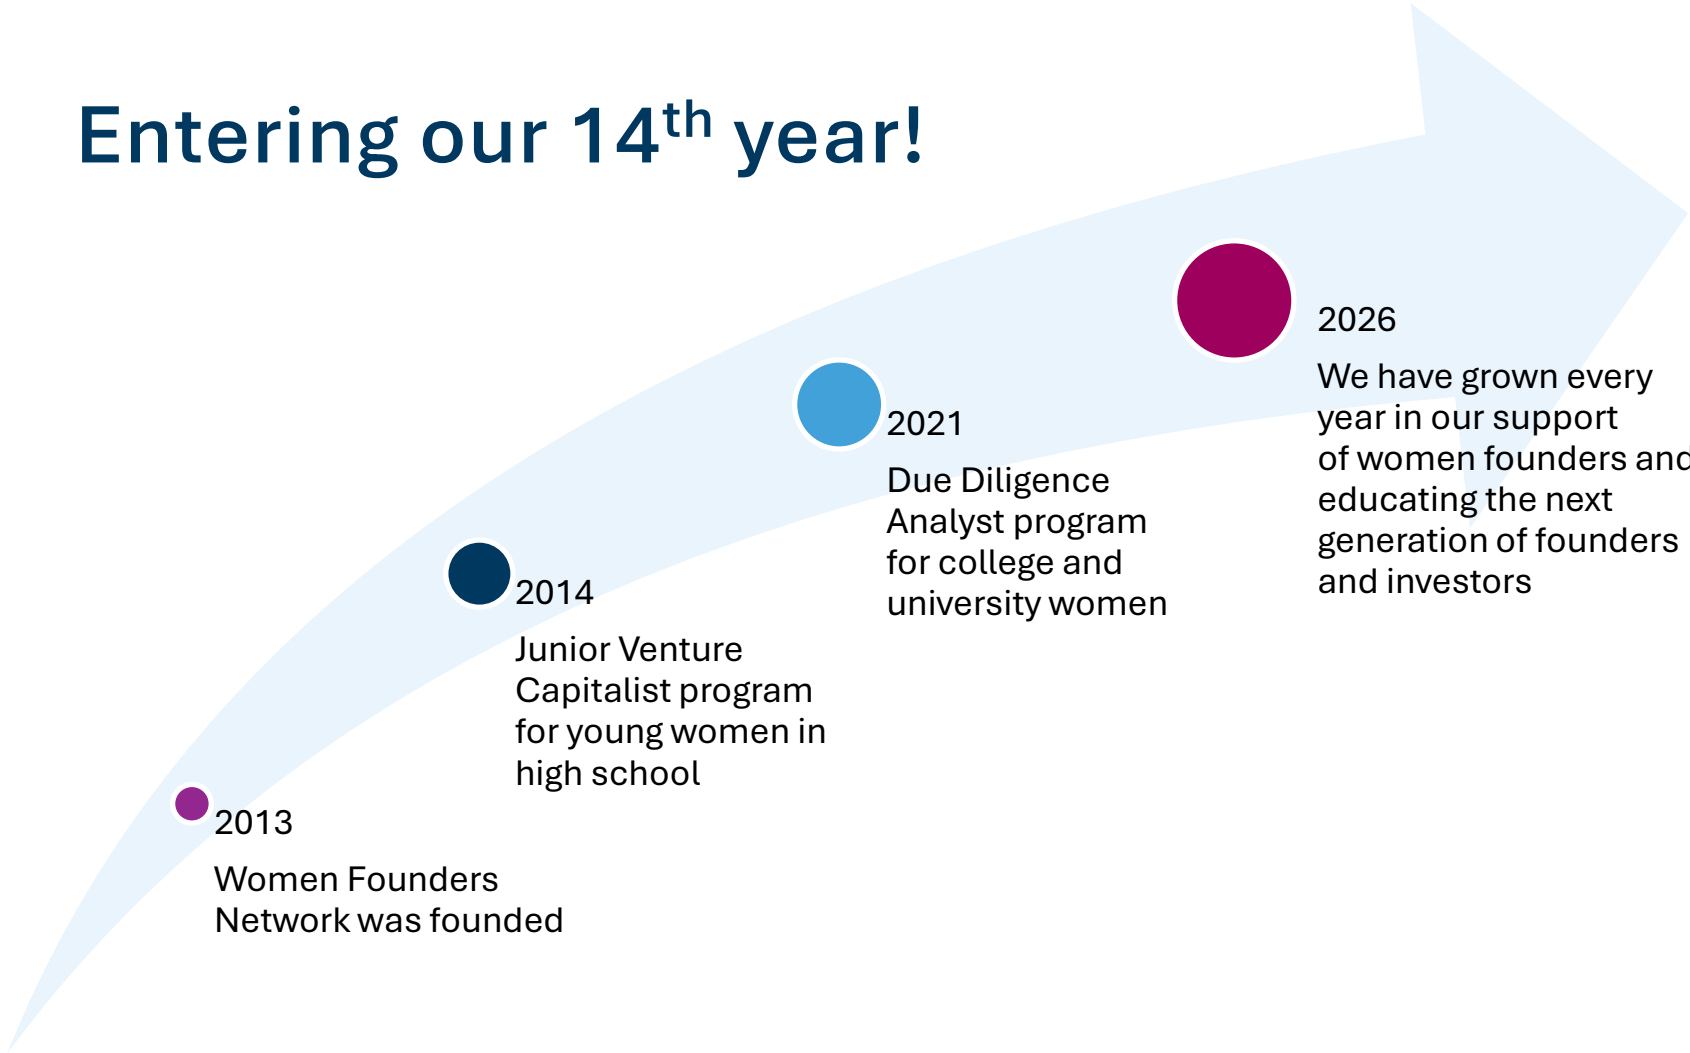

We hope to inspire the next generation of women investors through our Junior Venture Capitalist program for girls in grades 9-12.

You can make a difference!

By joining us, you can truly make a difference for women founders and help educate and inspire the next generation of women founders and investors. The generous support of our sponsors, donors and partners makes everything we do possible.
